Work History

2018-03 - 2021-07
Road Transport Specialist
Raben Group, Oss, Netherlands
Organizing Full Truck Load transport between European countries. Communication with drivers, subcontractors and clients. On my 2nd year took over customer-care responsibilities of top-3 client, who was on the edge of ending cooperation and improved delivery performance as well as information flow, which led to continuation contract and increased number of orders.

2018-01 - 2018-02
Internship – Full Truck Transport Trainee
Raben Group, Oss, Netherlands
Studied current Full Truck Load transportation systems, analyzed effectiveness, use, and needs.

2017-10 - 2017-12
Internship – Supply Department Trainee
Dpointgroup, Barcelona, Spain
Storage and purchase management, conducting research on potential products, vendors, and services, and comparing price and quality to ensure the best deal.

2015-04 - 2017-09
Logistics Operations Specialist
Fresh Logistics, Raben Group, Szczecin, Poland
Domestic distribution transport management, route planning, customer orders handling and communication, warehouse operations.

2015-02 - 2015-02
Internship – Logistics Operations Trainee
Fresh Logistics, Raben Group, Szczecin, Poland
Learned how to use Transport Management System used by company, completed forklift and warehouse equipment certifications.

2013-11 - 2014-12
Flyer Distributor
Target, Szczecin, Poland
Flyers and brochures distribution to households and encouraging customers to take advantage of the company's offer.
